

New Flex-Core® Utensils:

FEATURING ALL-SILICONE DEEP SPOONS & TURNERS

Elevate Your Cooking Experience with Tovolo's Latest Additions!

KEY FEATURES:

- Nylon core adds rigidity & strength
- Ergonomically shaped handle for a comfortable grip
- Non-scratch, stain-resistant silicone

SLOTTED TURNER

Our all-silicone turners feature tapered edges that glide smoothly under food, making flipping and lifting effortless while the slotted design ensures easy drainage. Heat-resistant and durable, they're perfect for non-stick cookware and offer a flexible yet sturdy design to handle all cooking needs.

SOLID & SLOTTED DEEP SPOONS

Our all-silicone spoons are designed with generous bowls for maximum versatility in the kitchen. The solid spoons, available in two sizes, are ideal for mixing and serving, and the slotted spoons for effortless straining and lifting. Durable, heat-resistant and nonstick safe, they're perfect for everyday cooking.

SOLID DEEP SPOON

Featuring a nylon core for durability, a generous bowl, and flexible edge for effortless stirring and serving.

SLOTTED DEEP SPOON

Featuring a nylon core, a generous bowl, flexible edges and slots for quick draining.

SMALL SOLID DEEP SPOON

Designed for precision and control when scooping, stirring and serving smaller portions.

SLOTTED TURNER

A nylon core for durability and flexible edges to flip, lift and drain with ease.
